

New York Heartwoods fabricates solid wood furniture, often milled from our clients' own trees. We emphasize inclusivity, impeccable quality, and circular design. We're seeking a skilled furniture maker to join our team (currently all women) to assist with all aspects of the fabrication process.

Half of our work is based on pieces from our collection, the other half are custom pieces for residential and commercial interiors.

Our ideal candidate:

- has at least 5 years of furniture fabrication experience
- is proficient with the use and maintenance hand tools and machinery
- has excels with milling, sanding, finishing, and joinery
- is self motivated, self aware, a great listener and communicator, organized, detail oriented, and capable of lifting at least 50 lbs.

Position is currently based in Kingston, NY thought will be transitioning to a larger space in Accord, NY in winter 2022. It includes paid holidays, vacation and sick time. Pay is commensurate with experience and starts as hourly then becomes salary after 6 months.

To apply please send resume, image samples of work and references to [we@newyorkheartwoods.com](mailto:we@newyorkheartwoods.com)
