

SAMUEL MOYER FURNITURE | LOS ANGELES & NEW YORK

Samuel Moyer Furniture makes custom furniture and objects by hand with attention and love from sustainable materials of heirloom quality. From design, to tree and lumber selection, through milling, joinery and finishing, we develop a relationship with each piece of furniture we build.

Samuel Moyer Furniture is committed to the idea of making furniture for our grandchildren's children. Furniture that lasts links generations and reduces waste and consumption. Designed and built with the practicality of the past and ethics for the future.

Samuel Moyer Furniture is located in the heart of the Hudson River Valley. We are looking for a woodworking/furniture apprentice, some experience preferred. The

hours are flexible & the work is varied, including but not limited to fine furniture, millwork, and cabinetmaking. It's a friendly shop with a positive vibe and competitive pay.

Please contact Samuel Moyer Furniture with your resume, references and images of your work:
