

## VICTORIA & SON

We are looking for an intermediate level furniture maker to join our team making one of a kind, exquisite furniture. Our projects vary greatly and present new challenges from one to the next. Most importantly, we are looking for someone who can find unusual solutions, bring a new perspective and add to the positive cohesion of our team. Firm understanding milling, turning, veneering and general benchwork are important, but so is being open to deepening these skills and learning new ones. Carving experience is great but not required..

This is a full time position based in our New Hampshire shop, approximately 25 minutes from Concord NH. Our shop places a strong emphasis on creative approaches to projects, detailed and thorough execution, teamwork. We strive to promote an environment where feedback is welcome, and we all continually improve our skills with each project.
