

Skylar Morgan Furniture – Furniture & Cabinet Maker/ Woodworker

Skylar Morgan Furniture and Design makes handmade, clean-lined furnishings, millwork and architectural woodwork for homes and commercial spaces all over the American southeast and the world.

DESCRIPTION – Innovative custom and contract furnishings company is seeking an experienced mid-senior level furniture maker for a full-time position to help create custom furnishings and architectural millwork. Must have 6-8 years of working with a furniture company, cabinet shop, or woodworking company. Service experience, and an understanding of high-end products with an innate understanding of design is required.

JOB FUNCTIONS –

Reports to Creative Director and works closely with senior builders

Works with production and design teams

Must be able to manage project from start to finish – creating furnishings from rough sawn lumber to final completion and assembly

Must be able to read production drawings and architectural plans

Organize and maintain shop tools and equipment

Experience with fine woodworking joinery

Attention to quality and detail

Knowledge of solid wood characteristics

May perform duties in the support of other builders, sanders, and finishers

Assisting in onsite deliveries and installation

SKILLS & EXPERIENCE –

6+ years experience in building furniture, woodworking, or carpentry

Experience working with machinery, woodworking equipment, and hand tools

Must demonstrate a high level of speed and accuracy

Ability to handle multiple projects and meet deadlines

Must excel in an entrepreneurial, open and collaborative environment

Prior experience with a furnishings company is preferred

Must be passionate and dedicated to the art of quality furniture making

Compensation for this position is DOE

Located in Atlanta, GA
