

HIRING CABINETMAKER: Phone: (434) 973-7018: Jaeger & Ernst Custom Cabinetmakers
Cabinetmaker: for custom cabinetry, interior millwork, and custom furniture fabrication.

Consideration will be given to those with less experience. The ability to move quickly and competently, follow directions, get along with others and basic math are favorable attributes.

A 40-hour workweek is expected, with periodic overtime. Reliable transportation is necessary.

Jaeger & Ernst is proud of the historical employment of our cabinetmakers, and invest in a cabinetmaker's training and vocation. A positive attitude and work ethic are expected, and you will be expected to fully participate in maintaining a safe environment for yourself and others.

You will be responsible for individual bench tools and will receive a subsidy for the purchase of bench tools after 30 days of full-time work.

Benefits include Paid Holidays, partially paid Health, and Dental Insurance after 30 days. Participation in a Retirement Plan, and accrued Vacation after one year of employment.

The type and range of work produced at our cabinet shop may be viewed at: www.JaegerAndErnst.com.

Please forward resume of experience and education via fax to (434) 974-6191
or email: admin@jaegerandernst.com. Or call: 434-973-7018.
