FURNITURE BUILDER - 2 - 3 yrs experience

We are looking for eager and motivated individuals who want to work in a high end furniture shop. You will be tasked with all aspects of furniture making from basic milling, joinery, assembly, sanding/finishing, hardware installation, leather work, etc. Your time will be spent building commissioned work and prototyping new pieces. Familiarity with programs such as CAD and SketchUp a plus. Must have a good attitude, strong work ethic & ability to communicate and work with others. Hourly rate will be based on experience level. Other benefits include PTO, sick leave & company holidays.
